Introduction

Welcome to Repak ELT's reference guide to completing your ATF reporting.

The aim of this document is to assist new users with setting up their log-in details for the Returns Blackbox and to aid all users in reporting their tyre data. If you have any questions that are not addressed within this document please get in touch with Repak ELT via the contact details below:

Repak ELT contact details:

- P: (01) 4618 600
 - E: info@repakelt.ie
 - W: www.repakelt.ie
-

Checklist

When reporting you will need the following:

1. Username and password supplied by Repak ELT
 2. PIN code to be created by the member
 3. The number of tyres arising from processed ELVs
 4. The number of ELVs processed through to COD stage
 5. The number of tyres sold as part-worn tyres
 6. The number of waste tyres collected by your Authorised Waste Collector
-

Getting Started

Once a new member joins Repak ELT their Blackbox login details will be emailed within 2 days. Please email us at info@repakelt.ie if you do not receive this information

Email will included:

1. Username (your member number with an 'A', e.g. 1418A)
2. Password (6 character code which can contains both upper and lower case letter).

There will also be a link included which allows you to click directly from the email through to the Returns Blackbox login page. Alternatively, the login page can be accessed via a link at the top of our website (www.repakelt.ie) or by typing the following address:

- <https://www.reltretailer.ie/Account/Login.aspx>
-

Logging in

Once the login page is displayed you will be asked to input your Username and Password. Remember, this password is case-sensitive. If you forget or misplace your password or PIN you can reset by clicking on **Forgot Password or PIN? Click here**. Please see Page 17 for further instruction on resetting.

It is easiest to use the original email which we sent containing the username and password. Select and copy both the username and password and paste to the relevant field on the login page. Once completed click 'Log in'.

Note: Your Password is different to your PIN code – Please double-check that you are using the correct code if you are having trouble logging in.

PIN Code

Once logged in for the first time a 4 digit PIN code is it to be created. Once entered select Continue.

This PIN code is known only to the user so it is important to take note and keep it somewhere safe and accessible. Repak ELT have no record of your PIN. Should any difficulties arise we can reset it back to blank, so that you will be asked to re-create a new PIN code the next time you attempt to login.

Returning user

If you have already previously set up a PIN code the following page will appear. You must now enter 3 of the 4 original digits created.

The screenshot shows the REPAK ELT login interface. At the top, the logo 'REPAK ELT' is displayed with the tagline 'End of life tyres'. To the right, it says 'Welcome to RELT RepakELT's online data submission facility'. A 'LOGOUT' button is in the top right corner. Below the header, there is a grey box with the text 'Enter PIN'. The main content area contains the instruction 'Please enter the selected digits from your four digit PIN'. Below this, there are three input fields labeled 'Digit 1', 'Digit 2', and 'Digit 3'. A 'Clear' button is positioned below the input fields. At the bottom of the form, there is a green arrow button on the left and a green 'Continue' button on the right, which is circled in red.

Home Screen

Once logged-in successfully you will be directed to the Returns Home Screen.

You will be presented with the main contact details of your company. Please review and if anything needs to be amended you can click on Member Details on the grey toolbar towards the top of the screen to edit the relevant information. For more information relating to Member Details screen see the section on page 15.

The screenshot shows the REPAK ELT Member Details screen. At the top, the logo 'REPAK ELT' and tagline 'End of life tyres' are visible. To the right, it says 'Welcome to RELT RepakELT's online data submission facility'. Below the header is a grey toolbar with navigation links: HOME, RETURNS, PREVIOUS RETURNS (circled in red), MEMBER DETAILS, PREMISES, CONTACTS, TERMS, CHANGE PIN, STOCK, LOGOUT, and HELP. Below the toolbar is a 'Member Details' section. It contains a welcome message: 'Welcome to the RepakELT online facility for Retailers. Please use the tabs to record returns and maintain your details.' Below this is a table of member details:

Name	Repak ELT Test Account	Repak No.	1418
Trading As	foobaz	Registration No.	foobaz
Address	foobaz	Telephone	foobaz
	foobaz	Email	info@repakelt.ie
	foobaz	Website	foobaz
	foobaz	Main Contact	Mark Gillick
County	Wexford	VAT Number	foobaz
Country	United States	Local Authority	Dublin City
Eircode	foobaz		

Returns

Once all your contact details have been reviewed, click on Returns from the grey toolbar to begin entering the reporting data. You will be presented with a list of reporting returns due/ overdue. Select whichever Return Month you would like to begin with.

Enter Returns

Welcome to the RepakELT online facility for Retailers.

Your last submitted return was :

Period	December 2015
Date	03 October 2017

Please select the return you want to complete from the following list

- March 2016
- June 2016
- September 2016
- December 2016
- March 2017
- June 2017
- September 2017

The first details required relate to the person filling in the returns data. Here you are asked for some basic contact details in case there are any follow-up questions. The first text field (*Submitted by (Name)*) is the only field which is mandatory. You may fill out the rest of the fields as you deem appropriate. Once finished click 'Save & Continue towards the bottom right. This will bring you to the Main Menu.

Notes

Continue entering your return** Save & Continue

* denotes mandatory fields
** Please note that by continuing you have agreed to accept the standard terms and conditions for the site. Click [here](#) to view them.

Main Menu

Main Menu is where the main reporting data is inputted.

You will need to progress following the number sequence line by line before eventually clicking 'Review' and then 'Submit' at which point the data becomes read-only and is submitted to Repak ELT. Up until you click on 'Submit' you are able to go in and out of the information as you need to and it will be saved from session to session.

As you work through the reporting lines they will change from Blue to Green as you progress. These must all be completed in order for the next line to become editable (blue). All lines above will be green by the time you reach the Review stage (which will be blue) and then with in this section clicking submit to send the data to Repak ELT. You will then be able to print your return for your records.

Inputting Data

1. Entre the details of the Tyres In

This is where you will record the amount of tyres taken in to your business in the given period. If you have more than one premises you will need to report for the total amount (or that premises will login and submit their own records).

The tyre information will need to be broken down by tyre category and the amount of tyres per category.

The Tyre Category drop down list contains all the following categories:

- Agricultural
- Construction
- Industrial
- Motorcycle
- Part Worn/ Used
- Passenger Car/ Van/ 4x4
- Retreads
- Truck/ Bus

Select the appropriate Tyre Category before moving onto the Source Category list.

The screenshot shows the REPAK ELT website interface. At the top, there is a navigation menu with links: HOME, RETURNS, PREVIOUS RETURNS, MEMBER DETAILS, PREMISES, CONTACTS, TERMS, SECURITY, STOCK, LOGOUT, HELP. Below the navigation, there are buttons for 'Return to main menu' and 'Proceed to next step'. The main content area is titled 'Details of Tyres In' and includes fields for 'Repak No.: 1418' and 'Period: October 2017'. A red circle highlights the 'Tyre Category' dropdown menu, which currently shows 'Please Select'. Other fields include 'Type: Source' (Please select) and 'Quantity'. A 'Save' button is visible next to the quantity field. Below the form, there is a note: 'Once all your data has been entered, click on "Next"'. At the bottom, there is a link 'Supplier not on the list? Add them here.' and an 'Add Supplier' button.

In the Source section, General Public has been saved within the drop down menu.

This screenshot is similar to the previous one, but with additional red circles. The 'Source' dropdown menu is highlighted, showing 'Please select'. The 'Add Supplier' button at the bottom right is also highlighted. The 'Tyre Category' dropdown now shows 'Part Worn / Used'. The rest of the interface remains the same as in the previous screenshot.

Adding Supplier

The second drop down list titled Source relates to Suppliers from whom you received tyres.

When reporting for the first time you will need to add your suppliers into this list. To do so click Add Supplier towards the bottom right. This will open up a new screen where you will be able to enter the number of your supplier before clicking 'OK'.

This number can be found on the Members List by following this link <https://repakelt.ie/member-list/?operator=&county>. You will need to open a new web page to look up the number on the members list as it cannot be searched while logged in to the returns site. If your supplier is not listed please contact info@repakelt.ie.

Should you have more than one supplier you can go back in to 'Add Supplier' as often as required. Once added, your suppliers will always be listed for future reporting. If you have a lot of suppliers and think this might take you a considerable amount of time then you can get in touch with Repak ELT and we can upload the relevant Suppliers to the Blackbox on your behalf.

Once all your data has been entered, click on "main menu"

Collector not on the list? Add them here. Add Collector

4. Review and submit the details

At this stage you should have reported all the relevant information for your return. The first three lines should now all be green with Review in blue. Everything can still be edited at this point.

The screenshot shows the REPAK ELT online data submission facility. The header includes the logo and a welcome message. A navigation menu is visible at the top. The main content area displays a 5-step process flow:

1. Enter the details of the Tyres In (Tyres In button)
2. Enter the number of ELVs (ELVs button)
3. Enter the details of the Tyres Out (Tyres Out button)
4. Review and Submit the details (Review button)
5. Print the submission (Print button)

After selecting Review the Return Summary is displayed. When you are certain you are finished click on Submit. This is sent to Repak ELT. After submitting there is an option to print the reporting.

The screenshot shows the REPAK ELT Return Summary page. The header and navigation menu are the same as in the previous screenshot. The main content area displays the Return Summary and Return Details sections. The Submit button is highlighted with a red circle.
