Introduction

Welcome to Repak ELT's reference guide to completing your retailer reporting.

The aim of this document is to assist new users to setting up their log-in details for the Returns Blackbox and to aid all users in reporting their tyre data. If you have any questions that are not addressed within this document please get in touch with Repak ELT via the contact details below:

Repak ELT contact details:

- P: (01) 4618 600
 - E: info@repakelt.ie
 - W: www.repakelt.ie
-

Checklist

When reporting your will need the following:

1. Username and password supplied by Repak ELT
 2. PIN code to be created by the member
 3. Number of new tyres supplied to you, by category, from each supplier within the reporting period
 4. Number of tyres sold by you, by category, to each customer (All General Public sales can be reported under the same selection within each category) within the reporting period
 5. Number of waste tyres, by category, taken away by each waste collector within the reporting period.
-

Getting Started

Once a new member joins Repak ELT their Blackbox login details will be emailed within 5 days. Please email us at info@repakelt.ie if you do not receive this information

Email will included:

1. Username (your member number with an 'R' at the end, e.g. 1418R)
2. Password (6 character code).

There will also be a link included which allows you to click directly from the email through to the Returns Blackbox login page. Alternatively, the login page can be accessed via a link at the top of our website (www.repakelt.ie) or by typing the following address:

- <https://www.reltreailer.ie/Account/Login.aspx>
-

Logging in

Once the login page is displayed you will be asked to input your Username and Password. Remember, this password is case-sensitive. If you forget or misplace your Password or PIN it can be reset by clicking on [Forgot Password or PIN? Click here](#). Please see [page 19](#) for further instruction on resetting.

If you forget either or both and cannot reset either yourself contact Repak ELT to bring it back to blank.

It is easiest to use the original email which we sent containing the username and password. Select and copy both the username and password and paste to the relevant field on the log in page. Once completed click 'Log in'.

Note: Your Password is different to your PIN code – Please double-check that you are using the correct code if you are having trouble logging in.

PIN Code

Once logged in for the first time a 4 digit PIN code is it to be created. Once entered select Continue.

This PIN code is known only to the user so it is important to take note and keep it somewhere safe and accessible. Repak ELT have no record of your PIN. Should any difficulties arise we can reset it back to blank, so that you will be asked to re-create a new PIN code the next time you attempt to login.

Returning user

If you have already previously set up a PIN code the following page will appear. You must now enter 3 of the 4 original digits created.

The screenshot shows the REPAK ELT login interface. At the top, the logo 'REPAK ELT' is displayed with the tagline 'End of life tyres'. To the right, it says 'Welcome to RELT RepakELT's online data submission facility'. A 'LOGOUT' button is in the top right corner. Below the header, there is a grey box labeled 'Enter PIN'. The main instruction reads: 'Please enter the selected digits from your four digit PIN'. There are three input fields labeled 'Digit 1', 'Digit 2', and 'Digit 3'. A 'Clear' button is positioned below these fields. At the bottom right, a green 'Continue' button is circled in red. A grey arrow button is on the bottom left.

Home Screen

Once logged-in successfully you will be directed to the Returns Home Screen.

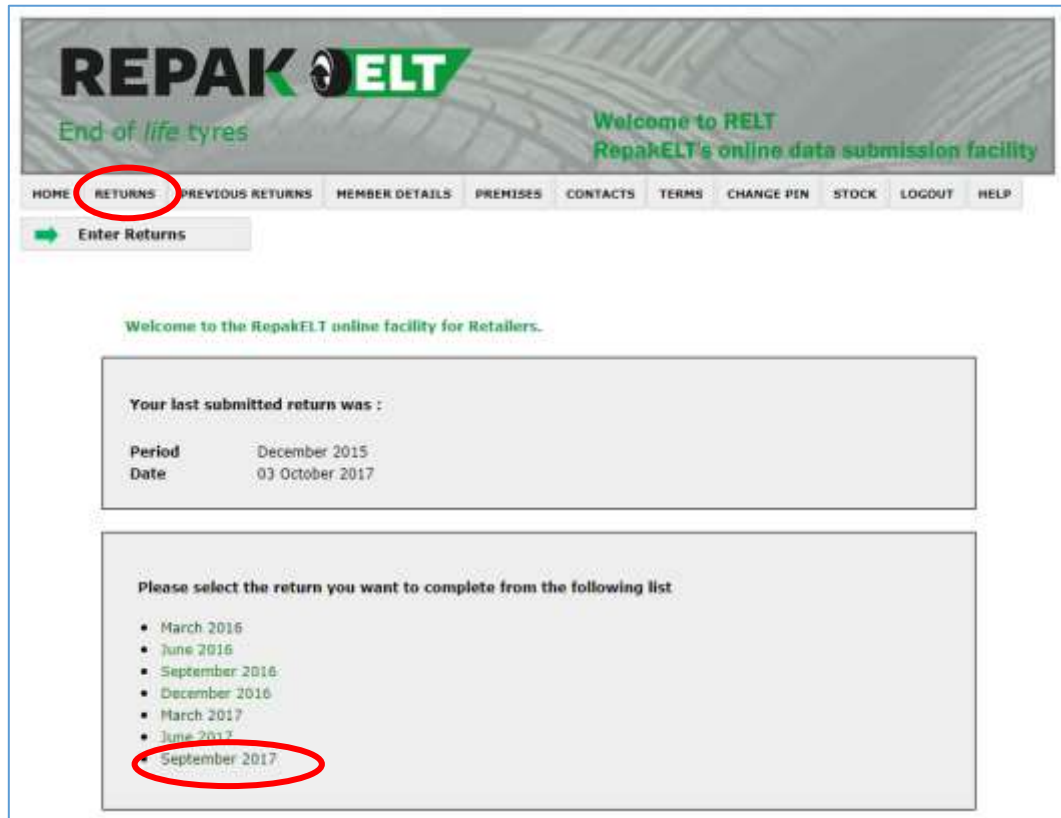

You will be presented with the main contact details of your company. Please review and if anything needs to be amended you can click on Member Details on the grey toolbar towards the top of the screen to edit the relevant information. For more information relating to Member Details screen see the section on [page 17](#).

The screenshot shows the 'Member Details' screen. At the top, the REPAK ELT logo and tagline are present. A navigation toolbar contains several links: HOME, RETURNS, PREVIOUS RETURNS, MEMBER DETAILS (circled in red), PREMISES, CONTACTS, TERMS, CHANGE PIN, STOCK, LOGOUT, and HELP. Below the toolbar, a 'Member Details' section contains a welcome message and instructions. A table of member details is displayed below:

Name	Repak ELT Test Account	Repak No.	1418
Trading As	foobarbaz	Registration No.	foobarbaz
Address	foobarbaz	Telephone	foobarbaz
	foobarbaz	Email	info@repakelt.ie
	foobarbaz	Website	foobarbaz
	foobarbaz	Main Contact	Mark Gillick
County	Wexford	VAT Number	foobarbaz
Country	United States	Local Authority	Dublin City
Eircode	foobarbaz		

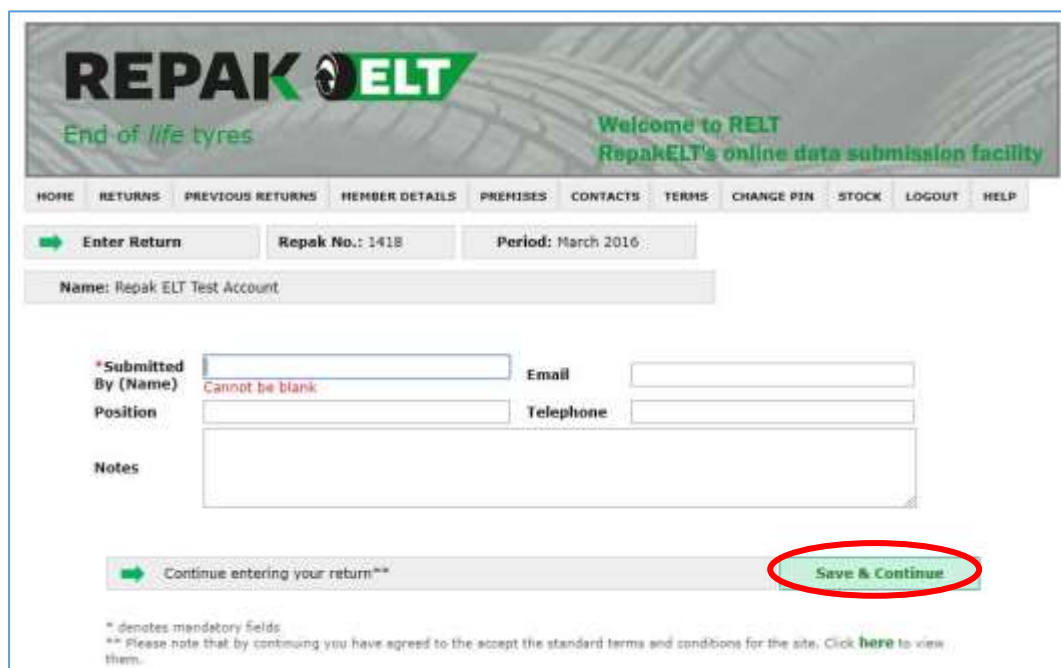

Returns

Once all your contact details have been reviewed, click on Returns from the grey toolbar to begin entering the reporting data. You will be presented with a list of reporting returns due/overdue. Select whichever Return Month you would like to begin with – there is no required order for reporting.

The screenshot shows the REPAK ELT website interface. At the top, there is a navigation menu with the following items: HOME, RETURNS (circled in red), PREVIOUS RETURNS, MEMBER DETAILS, PREMISES, CONTACTS, TERMS, CHANGE PIN, STOCK, LOGOUT, and HELP. Below the menu is a button labeled "Enter Returns". The main content area displays a welcome message: "Welcome to the RepakELT online facility for Retailers." Below this, a box shows the user's last submitted return information: "Your last submitted return was : Period: December 2015, Date: 03 October 2017". A second box prompts the user to "Please select the return you want to complete from the following list" and provides a bulleted list of return periods: March 2016, June 2016, September 2016, December 2016, March 2017, June 2017, and September 2017 (circled in red).

The first details required relate to the person filling in the returns data. Here you are asked for some basic contact details in case there are any follow-up questions. The first text field (*Submitted by (Name)*) is the only field which is mandatory. You may fill out the rest of the fields as you deem appropriate. Once finished click 'Save & Continue towards the bottom right. This will bring you to the Main Menu.

The screenshot shows the "Enter Return" form on the REPAK ELT website. The navigation menu is visible at the top, with "Enter Return" highlighted. The form includes the following fields: "Repak No.:" (1418), "Period:" (March 2016), "Name:" (Repak ELT Test Account), "* Submitted By (Name)" (with a red error message "Cannot be blank"), "Email", "Position", "Telephone", and "Notes". At the bottom of the form, there is a "Continue entering your return**" button and a "Save & Continue" button (circled in red). Below the form, there are two footnotes: "* denotes mandatory fields" and "** Please note that by continuing you have agreed to accept the standard terms and conditions for the site. Click [here](#) to view them."

Main Menu

Main Menu is where the main reporting data is inputted.

You will need to progress following the number sequence line by line before eventually clicking 'Review' and then 'Submit' at which point the data becomes read-only and is submitted to Repak ELT. Up until you click on 'Submit' you are able to go in and out of the information as you need to and it will be saved from session to session. It is important to select save in each section before moving on.

As you work through the reporting lines they will change from Blue to Green as you progress. These must all be completed in order for the next line to become editable (blue). All lines above will be green by the time you reach the Review stage (which will be blue) and then within this section clicking submit to send the data to Repak ELT. You will then be able to print your return for your records. All returns submitted can review in the Previous Returns section see [page 17](#).

Inputting Data

1. Tyres Purchased

This is where you will record the amount of tyres supplied to your business in the given period. If you have more than one premises you will need to report for the total amount (or that premises must login and submit their own records).

The tyre information will need to be broken down by tyre category and the amount of tyres per category.

The Main Category drop down list contains all the following categories:

- Agricultural
- Construction
- Industrial
- Motorcycle
- Part Worn/ Used
- Passenger Car/ Van/ 4x4
- Retreads
- Truck/ Bus

Select the appropriate Main Category before moving onto the Sub Category list.

Within each Main Category option there are specific Sub Categories as seen in the second drop down list. This helps better define the type of tyres being supplied to you. Select the relevant Sub Category before moving on to the Supplier drop down list.

Adding supplier

The third drop down list relates to Suppliers from whom you received tyres.

When reporting for the first time you will need to add the suppliers into this list. To do so, click Add Supplier towards the bottom right of the page. This Unique ID number can be found on the Members List, follow the link <https://repakelt.ie/member-list/?operator=&county>. You will need to open a new web page to look up the Unique ID number on the members list as it cannot be searched for while logged into the returns. If your supplier is not listed please contact info@repakelt.ie.

Should you have more than one supplier you can return and add supplier as often as required. Once added, your suppliers will be listed for future reporting. If you have a number of suppliers and this supplier submission will take you a considerable amount of time you can get in touch with Repak ELT to upload the relevant suppliers to the Blackbox on your behalf.

Customer not on the list? Add them here. Add Customer

Click on the relevant customer and then finally add the number of tyres you sold. Once this is complete, click Save to the right of the row. General Public and Export Sales are available for selection. Your data has now been recorded.

When all relevant data is entered added click on **Proceed to next step- Next** towards the top right of the page. This will bring you to the next section, **3. Enter the details of tyres collected.**

4. Collections

Here you will enter the information relating to those waste tyres collected by your waste collector from your premises. If you have more than one premises you will need to report for the total amount from all your premises.

The screenshot shows the REPAK ELT online data submission facility. The header includes the logo and the text "Welcome to RELT RepakELT's online data submission facility". A navigation menu contains links for HOME, RETURNS, PREVIOUS RETURNS, MEMBER DETAILS, PREMISES, CONTACTS, TERMS, CHANGE PIN, STOCK, LOGOUT, and HELP. The main content area displays "Collection Details" for RepakELT No.: 1418 and Period: September 2017. There are buttons for "Return to main menu" and "main menu". A form prompts the user to "Enter tyre quantities collected from you in the period." with a note: "Note: Hover over the column headings below for a brief explanation of what they mean or click on the heading for a more detailed explanation." The form has three columns: "Main Category" (dropdown menu showing "Passenger Car/Ve"), "Authorised Collector" (dropdown menu showing "Repak ELT Collector"), and "Quantity" (input field showing "400"). A "Save" button is circled in red. Below the form, there is a section for "First Last" and a note: "Once all your data has been entered, click on 'main menu'". At the bottom, there is a link "Collector not on the list? Add them here." and a circled "Add Collector" button.

Again, select the appropriate Main Category of tyre type. Next, select waste collector, finally, the number of tyres collected in that period.

When reporting for the first time you can add your waste collector into this list. To do so click Add Collector towards the bottom right. This will open up a new screen where you can select from a drop down menu before clicking 'Save & Continue'.

The screenshot shows the "Add Collector" page in the REPAK ELT online data submission facility. The header is the same as the previous screenshot. The main content area has a "Cancel" button and a "Back" button. Below them, it says "Please select the Collector from the selection list below". A dropdown menu for "Collector" is shown with "Crossmore Transport Ltd" selected and is circled in red. At the bottom, there is an "Add" button and a circled "Save & Continue" button.

You will return to the Collection page.

When all the required data has been added, click Main Menu once more to return to the overview page.

['You can now login to the RepakELT site by clicking here'](#)

If you have any trouble logging in with this new password, please telephone the Repak ELT team on (01) 4618 600 or email us at info@repakelt.ie

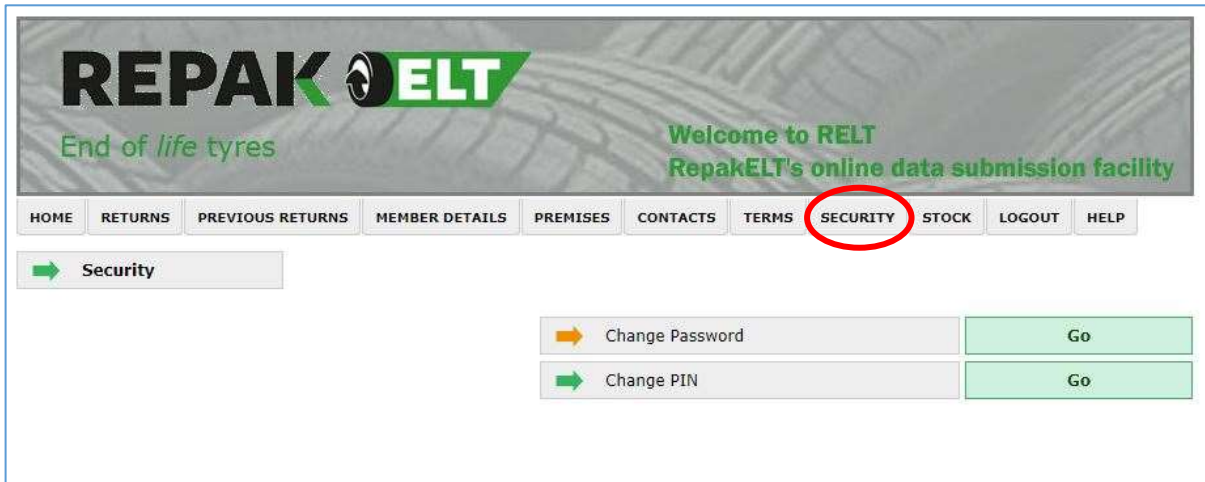

If you are not the main contact make sure you can access that email account before resetting. If you require the main contact email to be changed please contact Repak ELT. The new password is provided in the email and can be changed see [page 21](#).

Click on the link '[You can now login to the RepakELT site by clicking here'](#)'. This will bring you back to the Login page. Enter your username and new password. When the password is reset this will automatically reset the PIN. Please follow the instruction from [page 4](#) for re-entering PIN code.

Changing Password & PIN

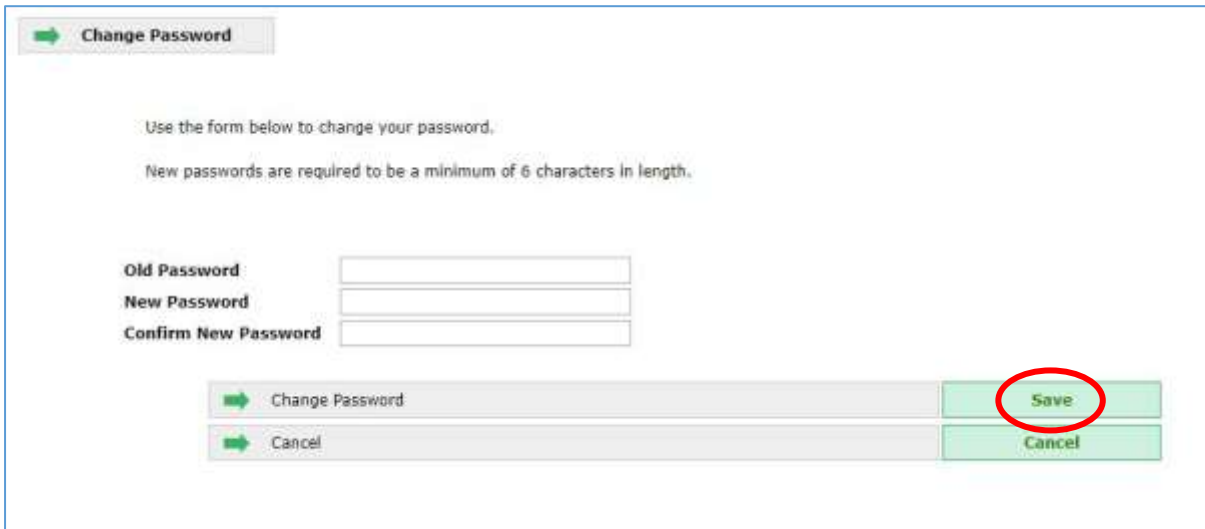

Members can also change the Password and Pin when logged in. Click on the Security tab on the main menu bar and it will bring you to the following page. Select **GO** for either **Change Password** or **Change PIN**.

The screenshot shows the REPAK ELT website's main menu bar with the 'SECURITY' tab circled in red. Below the menu bar, there is a 'Security' button with a green arrow. To the right, there are two buttons: 'Change Password' and 'Change PIN', each with a 'Go' button next to it.

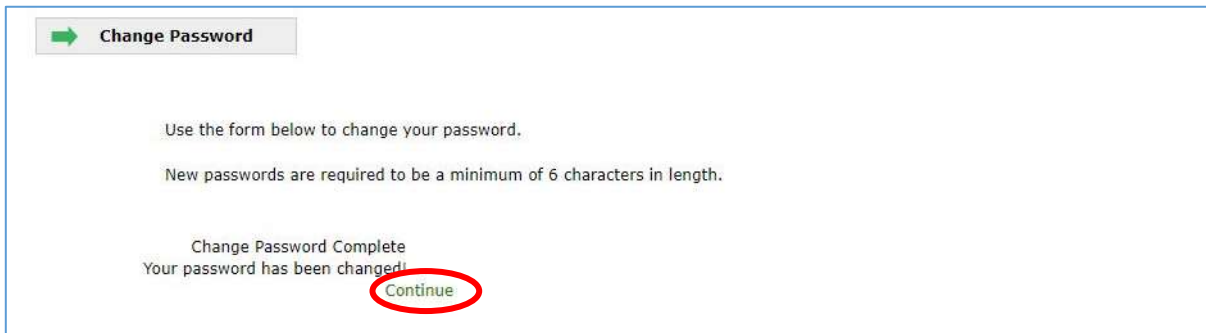

Changing Password:

The new password is required to be a minimum of 6 characters in length. Enter the old password, the new password and then confirm the new password. Click Save on the bottom right hand side.

The screenshot shows the 'Change Password' form. It includes a 'Change Password' button with a green arrow, a 'Save' button circled in red, and a 'Cancel' button. The form contains three input fields: 'Old Password', 'New Password', and 'Confirm New Password'. Below the input fields, there are two buttons: 'Change Password' and 'Cancel', each with a 'Save' button next to it.

The following page will open, click Continue and return to the Security page. Your Password is now reset.

The screenshot shows the 'Change Password Complete' message. It includes a 'Change Password' button with a green arrow, a 'Continue' button circled in red, and a 'Cancel' button. The message reads: 'Change Password Complete' and 'Your password has been changed!'.

Change PIN:

Enter in a 4 digit PIN and click Continue on the bottom right hand side. It will then return to the Security page.
Your PIN is now reset.

New PIN

Members must create a 4 digit PIN code for additional security.

This PIN is encrypted before being stored and will only be known to the person creating it.
If you forget your PIN, you will need to contact RepakELT to allow you to create a new PIN.
If you want to change your PIN at any time, just enter the new one and it will overwrite the existing PIN.

Enter PIN
